

February 2009

RORY LITTLE
Head of Care, Nokia South Africa

Since the beginning of 2009, Rory has been responsible for the Nokia Care services in South Africa. South Africa is part of Nokia's greater Middle East and Africa region. His responsibilities include partnerships with partners and operators in ensuring overall customer support and service for Nokia consumers.

Rory joined the SA team from Nokia's Sub Saharah division where he was part of front end development for Nokia Care in the region.

He joined Nokia in 2008 having previously worked and management roles at Nokia's exclusive distributor of Exactmobile, formally known as RF Group, where he joined in 1995.
